Surface Pro 9 and Surface Pro 9 with 5G

The go everywhere, work anywhere, wherever the day takes your team, 2-in-1 that performs like a laptop: Microsoft Surface Pro 9. The Windows 11 Secured-core PC and virtually edge-to-edge 13” PixelSense™ touch display with true-to-life color come together in a light, low-profile form to give your team the power they need for any path.

**Benefits**

Get pro-level performance and unlock workstation-class power with optional 12th Gen Intel® Core™ processors built on the Intel® Evo™ platform and Thunderbolt™ 4.

For employees on the go-go-go who need instant access, quick multitasking, and longer battery life, choose the latest generation Microsoft SQ® 3 processor.

Security has never been more important; it’s also never been easier with Surface Pro 9 and Microsoft SQ® 3. Pluton architecture secures sensitive data directly in the CPU, making it more difficult for attackers to access.

Surface Slim Pen 2 is always ready with wireless charging built into Surface Pro 9 Signature Keyboard.

Adjust to the perfect angle with the built-in kickstand.

Thunderbolt 4 port (Intel EVO)

USB-C port (Microsoft SQ3)

Lightweight and ultra-thin portability at 1.98lbs

Select SKUs built on the Intel® Evo™ Platform
## Technical Specifications

### In the Box

1 System software uses significant storage space. Available storage is subject to change based on system software updates and apps. 1 GB = 1 billion bytes. 1 TB = 1,000 GB. See Surface.com/Storage for more details.
2 Components available through your Surface Commercial Authorized Device Reseller. Components can be replaced on-site by a skilled technician following Microsoft’s Service Guide. Microsoft tools (sold separately) may also be required for repair. Opening and/or repairing your device can present electric shock, fire and personal injury risk and other hazards. Use caution if undertaking do-it-yourself repair. Device damage caused during repair will not be covered under Microsoft’s Hardware Warranty or warranty plans.
3 Requires Dolby Vision® encoded content and video.
4 Weight not including Surface Pro Signature Keyboard and Surface Slim Pen 2 (sold separately).
5 Battery life varies significantly based on usage, network and feature configuration, signal strength, settings and other factors. See aka.ms/SurfaceBatteryPerformance for details.
6 Sold separately
7 Tackle signals with Surface Slim Pen 2 can be experienced on some applications on Surface 8 and newer running Windows 11. Activation required. If your device is managed by your organization’s IT department, contact your IT administrator for activation. After 30 days, you will be charged the applicable monthly or annual subscription fee. Credit card required. Cancel any time to stop future charges. See https://aka.ms/360businessrailinfo
8 Surface Pro 9 with 5G only. Wi-Fi 6E (Surface Pro 9 only). Back Cover, Removable SSD, Removable SSD Door, Kickstand, Motherboard
9 Productivity, collaboration, and personal use. Can’t be used with Microsoft’s Hardware Warranty or protection plans. Components will be available shortly after initial launch; timing of availability varies by component and market.
10 Colors available on selected models only. Available colors, sizes, finishes, and processors may vary by store, market, and configuration.
11 Microsoft’s Limited Warranty is in addition to your consumer law rights.
