Disclaimers
1. System software uses significant storage space. Available storage is subject to change based on system software updates and apps usage. 1 GB = 1 billion bytes. 1 TB = 1,000 GB. See Surface.com/Storage for more details.
2. Customer Replaceable Units (CRUs) are components available for purchase through your Surface Commercial Authorized Device Reseller. Components can be replaced on-site by a skilled technician following Microsoft’s Service Guide. Opening and/or repairing your device can present electric shock, fire and personal injury risks and other hazards. Use caution if undertaking do-it-yourself repairs. Device damage caused during repair will not be covered under Microsoft’s Hardware Warranty or protection plans. Components will be available shortly after initial launch; timing of availability varies by component and market.
3. Requires Dolby Vision® encoded content and video.
4. Battery life varies significantly based on device configuration, usage, network and feature configuration, signal strength, settings and other factors. See aka.ms/SurfaceBatteryPerformance for details.
5. Requires Dolby® Atmos® encoded content/audio.
7. Sold separately. Software license required for some features.
8. Activation required. If your device is managed by your organization’s IT department, contact your IT administrator for activation. If you activate your trial outside your organization, after 30 days, you will be charged the applicable monthly or annual subscription fee. Credit card required. Cancel any time to stop future charges.
9. Download the full Eco profile see – https://aka.ms/ProX_EcoProfile
10. For more information on registration in other markets check – https://aka.ms/LaptopStudio_EPEAT
